OJO DE AGUA AGUARDIENTE DE ORUJO DE UVA MALBEC

CALM WATERS RUN DEEP

CHARACTER

It will warm the soul on any cold day, this is Ojo de Agua's Aguardiente. We make two different versions of Argentine Grappa, one from pure Malbec, the other from distilled Malbec and Cabernet France. Both are produced with great care in order to obtain a clean and high quality distillate. Individual lots of pomace are distilled separately and then brought together in a special selection to complete this tasty aguardiente. It's soft with a full body, and after time will continue to refine and develop flavor.

VARIETAL

Malbec pomace

TASTING NOTES

Crystal clear and bright with an intense and complex fruity aroma, a combination of raisins and fresh Malbec grapes.

Emphasis put on the roundness in the mouth without too much alcoholic notes, which makes it easy to drink. Reminiscent of concentrated and very aged wines from ripe grapes.

ALCOHOL

40 % VOL
